Complete the following assessment by highlighting the parts of the paragraph that include errors and marking the associated numbers corresponding to the errors in the blank provided.

Example:

In 1859, Joshua **abraham** Norton **a bankrupt business man** who **his lost** fortune investing in Peruvian rice, proclaimed himself "Norton I, **Emporor** of the United States" and subsequently "Protector of Mexico".

Dear Dr Howzer

The other day i came to you're office
with my daughter saralynn. I was shocked
by how young you were! when did you
graduate med school? Were you only 14?
despite your obviusouly young age you
provided excellent care for my infant.

I was pleased by the care you show her
as you checked her lungs and heart.

She has cough for a few weeks now and
I didnt know if i should be concerned or not.

After we left your office we received a bill for
Saralynns visit. I frustrated by the utter lack of
detail in you're billing office which grately
differs from the care and detail you showed.

The billing office has billed Sarlynn under the wrong
name and to the wrong insurance company. in fact I
think they meant to bill for a completly different
patient who they somehow have connected to my
address and account!

I dont know what is happening, but I hope you
fixed it as soon as possible and bill the correct
insurance. thank you for your time.

Sincerly

daisy Fields
