Nondiscrimination Statement: Hawkeye Community College does not discriminate on the basis of sex; race; age; color; creed; national origin; religion; disability; marital status; sexual orientation; gender identity; genetic information; political affiliation or belief in its employment practices; educational programs and activities; admission procedures; outreach and recruitment; counseling and guidance; testing; selection, placement, appointment, and referral; or promotion/retention. Veteran status in educational programs, activities, employment practices, or admission procedures is also included to the extent covered by law. Students, prospective students, employees, or applicants for employment alleging a violation of equity regulations shall have the right to file a formal complaint. Inquiries concerning application of this statement should be addressed to: John Clopton (Equity Coordinator and Title IX Coordinator for Employees) or Nancy Henderson (Title IX Coordinator for Students), Hawkeye Community College, 1501 East Orange Road, P.O. Box 8015, Waterloo, Iowa 50704-8015, telephone 319-296-4405, email: equity-titleIX@hawkeyecollege.edu.

INDUSTRIAL MAINTENANCE

“ I knew I wanted to do something hands on mechanical/electrical that was going to pay well and be in demand for a long time. When searching for the right career for myself, I fell in love with manufacturing. I knew I wanted to take classes in maintenance or automation. There is not a single thing I learned at Hawkeye that I have not used in the field at least once. They prepared me to get into a job that I love and will continue to learn in for the rest of my life. Overall it helped me achieve my dream and goal of owning a home and having college paid off by the time I turn 25.”

- Alec Walls,
Hawkeye Graduate
Industrial Automation

INDUSTRIAL AUTOMATION TECHNOLOGY

The Industrial Automation Technology program prepares students for a career and employment in a broad range of manufacturing, food processing and business environments. Students gain an in-depth knowledge of electricity and electronics, fluid power, mechanical systems and manufacturing processes. Students learn through hands-on training utilizing state-of-the-art equipment.

PROGRAM OFFERINGS

- ▶ Robotics
- ▶ OSHA Training
- ▶ Programmable Logic Controllers
- ▶ CNC Repair
- ▶ Motion Control
- ▶ Process Control

PROGRAM PARTNERS

- ▶ John Deere, Waterloo
- ▶ ConAgra Foods, Waterloo
- ▶ Target Distribution, Cedar Falls
- ▶ Iowa Laser, Cedar Falls
- ▶ TDS Automation, Waverly
- ▶ Nestlé, Waverly

Program partners support Industrial Automation by providing training, tours and internship programs.
