Title:	Connect to Earn \$20-\$25
Campaign:	Connect 2016
Flight Dates:	TBA
Radio:	60 Seconds

Would you like to earn \$20-25 per hour?

You can – when you work in the high-demand field of industrial maintenance and automation.

Industrial Maintenance workers monitor, troubleshoot, and repair equipment – to keep production lines moving and their companies running.

These men and women are smart. They're problem solvers. They understand the workings of motors, electrical systems, hydraulics, programmable controls, and robotics.

Gain the training you need at Hawkeye Community College. You'll learn from the experts in the fields – and gain hands-on experience while earning your associate's degree.

The demand for industrial maintenance workers is huge and is growing – with a 20% increase in the next 10 years.

Connect to a career with opportunities and earn \$20-25 per hour. Connect to industrial maintenance and automation at Hawkeye Community College.
