

WELDING NOW!

Start a promising career in
Professional Welding
REGISTER NOW!

If you are good with your hands, patient
and detail-oriented, then you are well
suited to succeed in a professional
welding career.

**Welders are in demand in the region
and work almost everywhere:**

- Manufacturing and bridges
- Automotive, aerospace and
aviation industries
- Shipyards, shops and skyscrapers

This workforce product was funded by a grant awarded by the U.S. Department of Labor's Employment and Training Administration. The product was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The U.S. Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership.

The course and services are available without regard to a participant's race, color, religion, ancestry, age, handicap, sex, marital status or national origin. The number for TDD/TYY or relay services is 440-525-7006.
