Advising Notes

- This degree is intended to prepare a student upon completion to obtain their private and commercial pilot licenses.
- Students are strongly encouraged to work with a faculty advisor to select the liberal arts electives which will appropriately meet their specific interests and future academic/career goals.
- Courses are listed in the recommended order you should take them.
- Many courses have prerequisite requirements that must be fulfilled to be eligible to enroll in the course.
- If you intend to graduate with an associate degree in two years, you should enroll in at least 15 credits if taking only fall/spring courses.
- Completing 30 credits each year helps students stay on track to timely graduation.
- Taking classes in the winter intersession and summer can accelerate your time to degree completion.
- All student degree audits for graduation purposes will be based off the official program of study the student is enrolled in.
