Comments or recommendations: <ul style="list-style-type: none">- It is nice to see students are to write the best answer on the blank line.- It may add value to remove/change selection B in #26- #71-75 may want to be labeled on specific drawing where problem is specifically located.- #79 answer is listed as 2/5th but should be 7/8th- #84 answer is listed as 1800 lbs. but should be 1080lbs.- #91-100 are yellow on answer key.- #95 on exam and answer key may want to be relocated closer to problem.			

Overall Summary:

This exam and answer key are model for duplication and relevant to industry standards. This 100 question exam is appropriate for the course and has a diverse range of questions to ensure student competency. Some students may be challenged completing this 100 question exam in 45 minutes, leaving less than a minute to answer each question. It is nice to see the instructions state to write the best answer on the blank line.
