

BUILDING ILLINOIS' BIOECONOMY CONSORTIUM

Bioprocess Operations Technology

Are you looking for a well-paid, meaningful career? Through the Building Illinois' Bioeconomy (BIB) Consortium and its Grow Your Future Initiative, you can access programs leading to jobs in a growing bioeconomy and focused on sustaining the environment. Through BIB, you can enter a living wage career with the option to progress through program pathways simultaneously or at any time to earn more.

Use the diagram below to see what level of education and training earns you the equivalent career and income.

These programs are funded by a U.S. Department of Labor Trade Adjustment Assistance Community College and Career Training (TAACCCT) grant. Data used to develop the career pathway diagram, including average wage detail, was retrieved in January 2017 from EMSI Career Coach.
