WINS.org

Jeffco Aspiring Student Scholar Institute

- **JASSI is designed especially for beginning students who want to improve their COMPASS placement test scores**
- **An increase in COMPASS scores saves time and money by decreasing developmental coursework**
- **JASSI participation will enhance your life and college goals**

"My participation in the JASSI program helped me get a great start to my Jefferson College experience. I entered JASSI the summer after graduating high school to brush up on my reading, math, English, and computer skills. At the end of the six week JASSI program, my COMPASS test scores improved in all areas and I was able to start my first year of college concentrating on my major and not catching up on basic skills!"

I can't express enough how the JASSI program gave me exactly what I needed to start off on the right foot as a freshman college student. I would recommend JASSI to anyone starting college."

Antoinette Willmeno
JASSI Participant - 2013

Note: Participation in JASSI requires application to Jefferson College (\$25 application fee for new students). Students must be able to attend the entire session.

Dates: March 3 – April 17, 2014
