*"Participating in JASSI through the MoHealthWINS grant has helped me tremendously. After completing the six-week institute and retaking the COMPASS test, I passed the Reading portion and increased my score by 30 points. The higher score enabled me to enroll in the HVAC program and now I'm on my way to becoming an HVAC technician.*

*The teachers and counselors were very helpful and encouraged me to do my best because they want me to be successful both inside and outside the classroom.*

*I strongly suggest that if you want to attend a good college with faculty and staff who care, you should choose Jefferson College!"*
