Energize your future with a career in...

# ELECTRIC VEHICLES

## Electric Vehicle Development Technology Program:

- Train for a new career in as little as one year
- Qualify for automotive jobs such as Development Technician, Electrical Test Technician or Manufacturing Technician
- Learn to succeed on the job:
  - Hands-on, skills-based projects
  - Consistent, convenient, compressed schedule
  - Classroom and online instruction
  - Foundation skills to help you succeed in technical courses
  - Critical thinking and problem solving based on real-life situations
  - Business skills in communication, resume writing, and interview techniques
- Prepare yourself to earn SAE International's Vehicle Electrification Fundamentals and Safety Certificate of Competency

## Is this program right for you?

- Do you have an analytical nature?
- Do you enjoy working with your hands? Do you like cars?
- Do you like the idea of working with innovative technology?
- Would you like a high-tech career with a future?

## Then sign up today!

Discover. Connect. Advance.

This U.S. Department of Labor grant targets workers who have lost their jobs due to the adverse effects of foreign trade, and other unemployed and underemployed workers. Students 18 years or older who are unemployed or underemployed are also eligible. Veterans receive priority of service.

**Programs are eligible for financial aid:  
Trade Adjustment Assistance,  
Workforce Investment Act,  
Pell Grants.**
