Kodiak College

Medical Coding Progam

Program Elements

- 17 Credits Part-Time / 3 Semester Program
- Fully Online (eLearning)
- Experienced Faculty
- Use Cutting Edge Technology
- Dedicated Career Coach
- Job Placement Assistance

Medical Office Coders work in medical offices, outpatient settings, and insurance companies. They specialize in coding medical records for statistical and reimbursement purposes.

The Medical Coding program is based upon the American Academy of Professional Coders (AAPC) recommendations.

Upon successful completion, graduates of the program are prepared to sit for the AAPC Certified Professional Coder (CPC) examination; and will demonstrate proficiency in the performance of:

ICD-9-CM & ICD-10-CM coding

CPT-4 coding

HCPCS coding
