TAACCCT-NISGTC would like to keep in touch as you progress through your technology career.

The NISGTC Consortium has initiated an opt-in texting service that will send follow up surveys regarding your employment status, IT industry certifications and other information related to your IT career.

Text MCCCCD to 87544 to sign up for career-related surveys that will let a success coach know when you need a helping hand.

After you complete your program of study, surveys will periodically be sent to your phone by SMS text message. Your answers will be sent to a success coach who will follow up when support is needed.

By joining this subscription program you authorize [Hip Cricket] to send you future automated marketing text messages on behalf of [NISGTC] at the mobile number you have provided. Consent is not conditioned on purchase. Terms & Conditions at [<http://niscgstore.hipcricket.com/standard-termsEandP.asp>].
