Science Skills Laboratory

A flexible, multidisciplinary laboratory for students with unpredictable schedules

ForsythTech
Education For Life

**Laboratories are provided for these courses:
BIO 111, 112 & 168*, BTC 181, CHM 131 & 132,
and open labs for Anatomy & Physiology.**

**spring 2016*

The Science Skills Lab (SSL) provides students enrolled in Biology, Chemistry, or Biotechnology courses a new, unique, and **flexible** way to schedule labs.

Does a hectic schedule prevent you from taking science courses and labs? Changing work schedule? No problem. Family activities? No problem. Going on vacation? No problem. Forsyth Tech developed a science lab just for students like you. You choose your lab time. You work at your own pace.

Labs are open extended hours and even on weekends! Course materials are online and free of charge. Sound too good to be true? It's not. It's happening at Forsyth Tech. Check it out.
