

## MERLOT – SKILLSCOMMONS Peer Reviewer Report Form (V 17.3)

Name of Learning Material:	Nursing and Allied Health Academic Bootcamp
	reading and Affice Health Academic Booleanip
SKILLSCOMMONS URL:	https://www.skillscommons.org/handle/taaccct/7825
Learning Material URL:	
Reviewer's Name:	Hope Szypulski
Date Review Completed:	8/19/2018
Review Time Required:	

Description	
<b>1. Overview:</b> Describe overview, features and descriptions, uses, and applications. Include cost, if any for apps	Power point presentation and tests on specific competencies in nursing. For example – communication.
2. Type of material: Animation,	Power point presentation, tests
assessment tool, assignment, case study, collection, development tool, drill and practice, e-portfolio, learning object repository, online course, open journal article, open textbook, presentation, reference material, simulation/game, social networking tool, quiz/test, tutorial, workshop and training material.	
3. Technical requirements:	
Browser, software or plug-in, Java, HTML, Flash, etc. You can test how it appears on Internet Explorer at <a href="http://ipinfo.info/netrenderer/">http://ipinfo.info/netrenderer/</a> Note type of device if it is an app (iPad, Android, phone, etc.)	
4. Identify major learning goals/curriculum objectives: Purpose of site, goal for learner/user.	A set of modules designed to assist nursing and allied health students in building the skills necessary to enhance learning and retention. Topics are geared towards the nursing profession and include medical terminology, math in healthcare, reading effectively, strategies and techniques for study, professional communication, critical thinking, conflict management, time management, note-taking, and exam preparation. Students we also become familiar with various exam question formats and learn optimal response strategies to increase confidence in ability and decrease anxiety in test-taking.
5. Recommended uses: In-class,	Lecture or online
homework, individual, team, lecture, etc.	
<b>6. Target population:</b> Level, course or subject matter, other user groups	Students in Associate Degree Nursing Program
7. Prerequisite knowledge or skills needed: Course or subject matter, computer skills, other miscellaneous skills	Acceptance into nursing program. First year of Community College

8. Application to industry ADN						
recognized certification: Name of						
credential or certification.						
Evaluation and Observations: After reviewing the learn	ing material, plea	se indi	icate y	our a	greem	ent
with the following statements by placing an "x" in the applicab	le column where	5=exce	ellent	or stro	ongly a	gree
and 1=poor or strongly disagree.						
1. Quality of Content – The Learning Material		Agree	Nei	Dis	Stro	N/A
			the r	agr e e	ngly Disa	
	Agre e		Agr		gre	
is clear and concise	X		ee			
provides a complete demonstration of the concept	X					
demonstrates a core concept grounded in the discipline	X					
is current and relevant	X					
is supported by appropriate research	X					
is self-contained (can be used without requiring an assignment	or X					
context)						
provides accurate information	X					
is flexible (can be used in several situations)	X					
includes an adequate amount of material	X					
has strong workplace relevance	X					
integrates the concept well	X					
Overall, the quality of the content is very high	X					
			3.5	2.5	1.5
