“NOW, BE BRAVE & DON'T LOOK BACK. DON'T LOOK BACK.”

That is the advice that Shmi Skywalker tells her son Anakin as he embarks on a journey that will change his life. Enhance Iowa also has a program that can provide a life-changing journey, leading to an in-demand and well-paying career. **And you don't need to travel to a galaxy far, far away.**

The innovative Enhance Iowa plan was developed by Iowa's community colleges to train thousands of workers in high-demand fields close to your Iowa home. Funding from the U.S. Department of Labor is being used statewide to create more than 45 additional training certificates in the information technology, healthcare, utilities and manufacturing targeted areas.

The Enhance Iowa program is perfect for displaced workers, low-wage workers looking to move up, unemployed or underemployed people and for veterans seeking to resume their lives in a high-demand and high-wage career.
