

Free Computer Concepts Training Course

Powered By MoStemWINS and State Technical College of Missouri

The Computer Concepts training course offers participants basic computer concepts and industry-recognized certifications in Microsoft Keyboarding, Office, Word and Excel, the National Career Readiness Certification, and a Certificate of Completion from State Tech will also be awarded upon successful completion.

MoStemWINS is a statewide, grant-funded training network that allows Missourians to obtain technical training in science, technology, engineering, or mathematics.

State Technical College of Missouri plans to train over 150 participants over the life of the grant.

Eligibility of grant participants is based on four target populations:

- Unemployed Adults
- Under-Employed Adults
- Low-skilled Adults
- TAA affected Adults

Participants must be American citizens and 18 years or older. Veterans are given priority with the MoSTEM programs of study at State Technical College of Missouri.

Equivalence exams to obtain credit for prior learning are available to qualified participants.
