

IMPROVING HEALTHCARE EDUCATIONAL OPPORTUNITIES

BlendFlex classes provide students **flexibility** to attend classes online, face to face, or via telepresence.

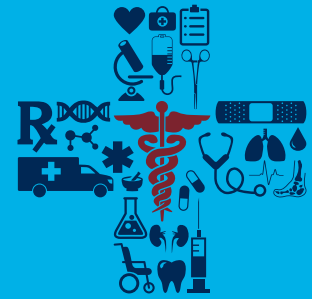

BlendFlex benefits employers by providing students the ability to continue employment while gaining enhanced skills.

BlendFlex participants are provided FREE on-campus tutoring and 24/7 online tutorial service; ability to attend class anytime, any place, and on any device; classes recorded for later review and ongoing support for career advancement.

All healthcare students who meet one of the following criteria are eligible for BlendFlex classes:

- military veteran or dependent.
- rural county resident.
- displaced homemaker.
- single parent.
- unemployed or underemployed: temporary job; available for full-time but had to settle for part-time; negatively impacted by downsizing.
- a Trade Adjustment Assistance (TAA) or Workforce Innovation and Opportunity Act (WIOA) student.
