Making student presentations more of a learning experience for the listeners

Asking students to make presentations in class is a good way to get the presenters and the listeners engaged with the material.

Please summarize the presentation in a few bullet points or a summary, include one question that the presentation raised, and one area you would like to learn more about in regards to the topic.

Tell me about the job posting for this position? Did it tell you everything you would need to know to apply? What else would you want to know before applying?

What is this job about? Anything jump out at your in regards to job responsibilities?

Would you be willing to move yourself (and family) for this job? Why?
