Instructor will assign a topic below to each student.

1. Utilization Review and Utilization Management
2. Medicare Administrative Contractors (MAC's)
3. HMO Plans
4. Point-of-Service Plan and EPO Plan
5. Carve-outs
6. DRG and MS-DRG's
7. Outlier Cases/Payments

Directions:

Must include 500 word minimum, written in APA format. You need a minimum of 4 references.

You need to present your information, so that the audience will learn about your topic.

You need to provide a summary/overview of your topic. Before you start asking me what specifically needs to be covered, do your research. You should be able to find enough information on any of these subjects to tell us about it. If you still need help, please contact me.

Student will give a 5 minute oral report from this paper. The oral presentation is part of your grade. (25 pts for oral presentation and 50 pts for written paper.)
