

**FREE TRAINING**

**EMPLOYMENT ASSISTANCE PROVIDED**

## Prepare for a Career in Construction

The Construction Pre-Apprenticeship Program will expose you to the construction industry and help you become competitive for union apprenticeship opportunities.

### Hands-on skills to be learned:

- Carpentry
- Cement Masonry
- Green Technologies
- H.V.A.C.
- Plumbing
- Surveying
- Weatherization

### Program Components:

- 140 Hours of Training
- 10-Hour OSHA
- CPR/First Aid Training Certification
- Multi-Craft Core Curriculum (MC3)

### Program Eligibility:

- At least 18 years of age
- Be legally eligible to work in the U.S.
- 7th Grade Math Level
- California Driver's License (strongly encouraged)
- Submit application form and required paperwork
- Registered with U.S. Selective Service (if applicable)
- Veterans and their spouses, TAA eligible participants and Long Beach residents receive priority consideration.

### Certificate of Completion from Long Beach City College

will be awarded to students upon completion of the training program. The program is grant-funded and only offered for a limited time. Join us in one of our information sessions to learn more about the program.
