## GRCC students are ready to work in CNC machining.

*"It's excellent," Jerrittia Roseburgh said of the CNC* 

Eight Michigan community colleges formed the Michigan Coalition for Advanced Manufacturing (M-CAM) to enhance and create training programs in the in-demand areas of welding/fabrication, CNC machining, production operation and multi-skilled/mechatronics. **m-cam.org/colleges/grcc/grcc.** html

machinist program at **Grand Rapids Community College**. "I get hands-on training in class. I study hard. I'm learning machines different varieties of machines and how to operate them. It is not just a man's field of work, it's a woman's

field of work as well."

## M-CAM prepares participants for 21<sup>st</sup> century jobs in advanced manufacturing.
