Outline

Fisheries Technology

In this startup module we will show you :

1. Couse expectations
   a. Time to complete course
   b. Setting up meetings with course instructor
   c. iPad logistics
   d. Grading

2. How to navigate the individual lecture files using the Articulate App
   a. Presentations
   b. Videos
   c. Readings
   d. Frequently Asked Questions

3. How to navigate taking exams with the ExamSoft App
4. Help or issues with iPAD, Articulate, or ExamSoft

Course expectations

Fisheries Technology

a. Time to complete course

You will have approximately 4 months to complete all of the modules and 3 exams

*Fall semester September – December
*Spring semester January – April
*Summer semester May - August

b. Setting up meetings with course instructor

You will have at least 3 meetings with the course instructor (one for each exam)

c. iPad logistics

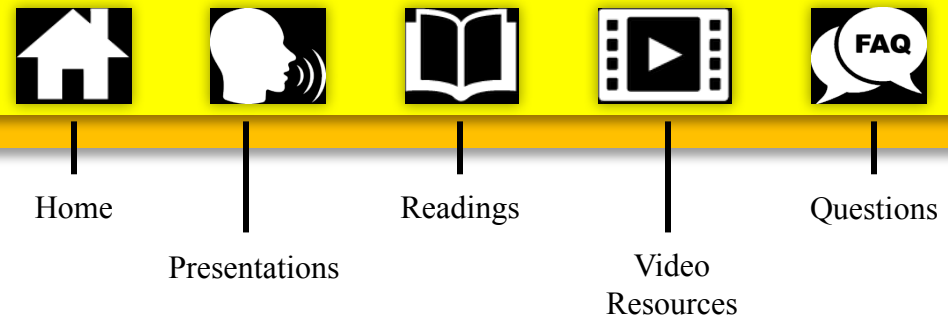
iPads will be mailed the 1st day of the semester and must be received back to UAS by the last day of the semester. Pre-paid mailers will be included with iPads

*Fall semester – due at UAS 15 December
*Spring semester – due at UAS 15 April
*Summer semester – due at UAS 7 August

d. Grading

Three exams will cover up to 12 lectures. Exams are multiple choice, True/False, and matching. You final grades will be the cumulative total from your three exams

Navigating Articulate presentations



Fisheries Technology

- Each module is approximately 2 hours long
- Presentations have been broken into 10 to 45 minute “chunks”
- Reading Assignments are PDFs stored in iBooks App
- Some modules have videos, some do not
- Frequently Asked Questions are additional information beyond presentations

How to “watch” a lecture:

1. Select the Articulate App
2. Select a module to watch
3. Read Student Learning Outcomes
4. Watch Presentations
5. Self-quizzes are a guide
6. Watch videos and read reading assignments
7. Listen to FAQs

Navigating ExamSoft exams

Fisheries Technology

- I have done all of the following, but in case you are having problems:
  - Go to Ipad settings and turn iPad on Airplane Mode
  - Go to Ipad settings and insure the Guided Access in turned on
    -Settings -> General -> Accessibility -> Guided Access (turn on)
  - Exit out of Ipad settings by pushing the Home button
- Press ExamSoft App
- Exams should be listed in Step2 in bottom left corner (FT120 – Exams 1,2, and 3)
- Click on the exam you wish to take (ie. FT120 – Exam1)
- Click the Home Button 3 times quickly (that is the little dimple on the face of the Ipad)

  -you should see a note that says Guided Access Started, if you exited out of ExamSoft you didn't push the button fast enough!
- Enter your Exam password (call me for your password 907-747-7799)
- Type Begin (once you begin the exam there is no stopping until you are done!)
- Take your Exam
- On the last question, click the button on the bottom listed as "Save and Exit"
- Click on Close Exam and Exit
- Once back to SoftTest screen, push HOME button 3 times and enter the code 1,2,3,4,5, 6 or 1,2,3,4 and push END in the top left corner of the screen
- Start your next group of lectures
