Pine Technical & Community College

PROMETRIC

RITA

Pine Technical and Community College is a member of the Rural Information Technology Alliance (RITA).

What is RITA?

- Rural Information Technology Alliance: Four colleges working to build the IT workforce in rural areas and meet the growing need for skilled IT workers.

Why is RITA important?

- RITA exists because IT workers are in high demand.
- RITA provides students with additional education and employment support.
- RITA partners with businesses to create opportunities for students and to support business needs.
- RITA programs are enhanced with new equipment and curriculum.
