

North Jersey Imaging Academy

The North Jersey Imaging Academy offers certificate courses in Computed Tomography, Magnetic Resonance Imaging, Cross-Sectional Anatomy, and Mammography.

- The courses provide didactic preparation for the ARRT Certification Examination in CT and MRI.
- These courses will be approved for continuing education credit by the American Society of Radiologic Technologists (ASRT).
- We offer the opportunity for participants to complete the clinical requirements. All applicants must meet the requirements of our clinical partners.
