Notes:

Please note this is the most recent student revised schedule for your site created 3/9 Thursday during class.

Please be sure to inform supervision staff that students should have breaks including a lunch break while at the site.

Students are not to work overtime.

Please note students are provided minimal basic training on ADL care, feeding and transfers of resident. They will still need guidance at site. Should you have Questions and / or concerns contact me anytime 661 480 6763 or 818 239 9216 personal cell

Thank you
