

The Los Angeles Healthcare Competencies to Careers Consortium (LAH3C) is comprised of all nine community colleges within the Los Angeles Community College District: Los Angeles Mission College, Pierce College, Los Angeles Valley College, Los Angeles City College, East Los Angeles College, West Los Angeles College, Los Angeles Trade-Technical College, Los Angeles Southwest College, and Los Angeles Harbor College.

Funded by the United States Department of Labor, the primary focus is to build upon the progress of previous Trade Adjustment Assistance Community College and Career Training (TAACCT) grant projects to develop competency-based, stacked and latticed programs of study, including the common foundation credential, certificates of achievement and Associate Degrees related to health science professions.
