WHAT IS A PORTFOLIUM?

Portfolium is an electronic portfolio, a web-based collection of your academic and individual work & skills that you’ve developed over time. Your Portfolium provides visual proof of your skills, growth, abilities, & experience through digital artifacts. These artifacts can include different multimedia such as digital badges, documents, videos, audio files, graphic, coding samples, & presentations – anything that demonstrates your knowledge

*Portfolium is helping students reach their full career potential within a marketplace
 That aligns learning outcomes to competency-based hiring.*

In addition, Portfolium is also a:

- **Professional Network** – Connect with your peers, colleagues, professors, and potential employers. Get inspired by discovering other people’s work or get feedback on your projects!
- **Jobs Platform** – Look for jobs and apply to them directly through Portfolium! Employers are actively browsing Portfolium for talent

What to use your Portfolium for:

- Supplement your resume
- Get hired by sharing your projects with top employers.
- Get the most out of career fairs with your Portfolium
- Follow-up with prospective employers by sending them your Portfolium URL
- Apply directly to jobs on Portfolium
- Stand out and really impress employers
- Use your Portfolium as a secret weapon during interviews

Learn how to create your FREE Portfolium that showcases everything that makes you YOU!
