Digital Badge for Novice Online Learners

Students who complete all SmarterMeasure sub tests, and complete Module 2-4 Quizzes with scores of 80% or better are entitled to a digital badge - Online Ready - Novice Level.

To claim your badge, send email to Linda Delzeit (delzeit@lattc.edu) and indicate you have completed the Smarter Measures sub tests plus the first four modules of Quest for Success. Be sure to include your student ID# or Canvas login.

NOTE: If the SmarterMeasures assessments were done entirely through a smart phone, the results are not recorded where your work can be verified. So please download and send the entire report as an email attachment to your request, so the badge can be issued.

Badge Issue - Automated

Digital Badge for Experienced Online Learners

About:

The Los Angeles Community College District's digital badges are micro credentials that recognize student competencies, skill mastery, and community service that has gone above and beyond what is included in the college transcript. Students can display these badges on LinkedIn, Facebook, Twitter and Portfolium where prospective employers can identify industry standards met by students. Employers will have the ability to click on the badges to verify the student's awards. Each badge went through a process of identifying standards whereby students are evaluated and recognized for their accomplishments.
