VETERANS EMPLOYMENT & TRAINING SERVICES

Attention, veterans! You've served our country. Now it's our turn to serve you. We are Gateway Community and Technical College, Northern Kentucky's only public, regionally accredited, two year college. Our Veterans Education and Training Services – VETS – are designed to make your transition from military to civilian life easy and quick. Our friendly VETS staff, young veterans themselves, will help you get your GI benefits, acquire advanced skills, and be placed in a good job. We offer plenty of support services to help you decide on a major and complete your program. Our credentials are accepted by employers and four-year universities, so the time you invest really pays off. Your spouse also may qualify. Did you know an associate degree can increase your earning power by as much as \$16,000 a year? Call today and let us help you get a great start on a new career!
