HEALTHCARE JOBS

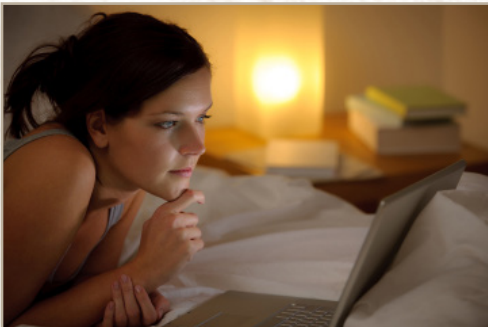

ARE COMING

Get the training you need for yours
with WEBER STATE UNIVERSITY.

HEALTH INFORMATION MANAGEMENT

PROGRAMS CAN NOW BE STARTED AT

CLASSES THAT FIT YOUR SCHEDULE

Weber State University's Health Information Management program can be started at Casper College. Enroll in online courses from WSU online, no travel necessary, complete your course from home!

HEALTH INFORMATION MANAGEMENT (HIM) is the area of health care that deals with patient data. HIM professionals work to acquire, analyze and protect patient health records.

As a HIM professional you will:

- Work with the latest technology and data management tools to look for trends and patterns.
- Use data to improve the quality of health care in your local community.
- Make a difference in the health care industry without direct contact with patients.

WORK FROM ANYWHERE From big cities to small towns, HIM professionals can work anywhere in the country.

TRAIN ONLINE Weber State offers HIM training entirely online.

HIGH-PAYING JOBS ARE WAITING TO BE FILLED HIM is a high-growth industry with great demand for qualified workers.

You customize your schedule to fit you and get started with courses at Casper College!

In conjunction with the School of Health Science at Casper College, offering degree opportunities in nine health programs.

We provide meaningful career options through the direct access of exemplary faculty and resources including an inter-professional Health Science Simulation Center.
