The Rural Information Technology Alliance (RITA) is a four community college consortium involving North Central Texas College, as well as Central Lakes College, Ridgewater College, and Pine Technical and Community College, funded by the Department of Labor through the Trade Adjustment Assistance Community College and Career Training (TAACCCT) grant program. This workforce product was funded by a grant awarded by the U.S. Department of Labor's Employment and Training Administration. The product was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The U.S. Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. North Central Texas College does not discriminate on the basis of race, color, national origin, gender, religion, age, or disability in the employment or the provision services
