

PROGRAM OF STUDY

CONSTRUCTION MANAGEMENT AS Degree for Employment Preparation

The Construction Management Associate of Science degree is intended to prepare students with a broad overview of construction, various related courses and local general education requirements to utilize in gaining employment in construction or any of the related fields in the building industry where they may be involved with the scheduling, estimating and construction of various projects. Individuals completing this degree may also choose to continue their education toward a baccalaureate, or advanced degree in Construction Management or related majors. Advisor: Bert Bitanga (760) 776-7236; dbitanga@collegeofthedesert.edu
