

JUMP-START YOUR CAREER IN SUPPLY CHAIN MANAGEMENT.

Don't let your skills sit on the shelf. Stand out in your next interview. Validate what you may already know by earning a nationally recognized certification from the Council of Supply Chain Management Professionals. You may register for one certification track at a time. After passing the certification track and its corresponding certification exam, you may take additional certifications as they come available. Current certification tracks include:

- Customer Service Operations
- Supply Chain Management Principles
- Warehousing Operations
- Transportation Operations
- Demand Planning
- Inventory Management Systems
- Supply Management and Procurement
- Manufacturing and Service Operations

After completing a workshop in as little as two Saturdays, or completing the self-guided, online materials, participants may sit for a certification exam offered and certified by the Council of Supply Chain Management Professionals.

There is no cost to you for this training. Veterans and active duty priority available to those who qualify.
