

ADVANCE YOUR CAREER WITH A CERTIFICATION IN SUPPLY CHAIN MANAGEMENT

**LINCS Supply Chain
Management Program**

NEW CLASSES STARTING SOON!

Supply Chain Management (SCM) is a critical function in any company that brings products and services to market. SPC's [LINCS Supply Chain Management Program](#) will introduce you to the fundamental aspects of the SCM industry and prepare you for a multitude of SCM positions across various functions.

After completing each non-credit course, you will have the opportunity to sit for a certification exam offered and certified by the **Council of Supply Chain Management Professionals (CSCMP)**.

Select one track or all tracks, depending on your individual, educational, and/or career goals and start working toward your certification today!

SPC offers the following SCPro Fundamentals industry certifications:

- **Supply Chain Management Principles – FREE to all students**
- **Customer Service Operations**
- **Supply Management & Procurement**
- **Demand Planning**
- **Warehousing Operations**
- **Inventory Management**
- **Transportation Operations**
- **Manufacturing & Service Operations**
