

ADVANCE YOUR CAREER WITH TRAINING IN SUPPLY CHAIN MANAGEMENT

LINCS Supply Chain Management Certification Program

Information Sessions

Supply Chain Management (SCM) is a critical function in any company that brings products and services to market. SPC's **LINCS Supply Chain Management Certificate Program** will introduce you to the fundamental aspects of the SCM industry and prepare you for a multitude of SCM positions across various functions. After completing each non-credit course, you will have the opportunity to sit for a certification exam offered and certified by The Council of Supply Chain Management Professionals (CSCMP). Select one track or all tracks, depending on your individual educational & career goals and start working toward your certification today!

SPC offers the following entry to mid-level certifications:

- **Supply Chain Management Principles**
- **Customer Service Operations**
- **Transportation Operations**
- **Warehousing Operations**
- **Demand Planning**
- **Inventory Management**
- **Manufacturing & Service Operations**
- **Supply Management & Procurement**
