What if you had the opportunity to learn a skill considered in demand and valuable in all industries? What if that opportunity was available at little to no cost to you?

The LINCS Supply Chain Management (SCM) program prepares you for a multitude of supply chain positions across various functions!

Supply Chain Certifications – A Valuable Investment!

- Supply Chain certifications are increasingly **becoming the prerequisite** in the industry.
- **Eight certification tracks** to choose from, each focusing on a specific SCM skill set.
- Flexibility to earn **one certification or select multiple.**
- At the end of each six-week, non-credit course, you will have the opportunity to earn a **national industry certification** endorsed by the Council of Supply Chain Management Professionals (CSCMP).
- Certifications enable you to **jumpstart your career** and add a recognition of professional achievement.

Our course in Supply Chain Management Principles is FREE to all students!
