Marshalltown Community College is the only program in the state with a Utility Technician Gas and Electric combination. You can earn your Utility Tech degree in just two years, and walk away with a job at \$40,000 a year. Our students graduate with less student debt, and a better paying career. Instructors are saying job prospects are so high, we can't produce graduates fast enough. Visit mcc.iavalley.edu/utilitytech to learn more. Fall Classes start August 24. *Paid for by U.S. Department of Labor grant.*
