

SME (Subject Matter Expert) Review Rubric for ARISE Scenarios

SME (Subject Matter Experts) Information		
	Design SME (CVTC)	Content SME (FVTC)
SME Name	Kelly Childs	Michele Geiger, Kim Gropp and Katie Goffard
SME Email Address	Kchilds1@cvtc.edu	geigerm@fvtc.edu , gropp@fvtc.edu goffardk@fvtc.edu
SME Phone Number	715-858-1878	920-236-6120
<p>Expected Qualifications</p> <p><u>Nursing Scenarios</u>: Simulation and teaching experience in Nursing courses required within the past 3 years.</p> <p><u>Respiratory Therapy Scenarios</u>: Simulation and teaching experience in Respiratory Therapy courses required within the past 3 years.</p> <p><u>Medical Assistant Scenarios</u>: Teaching experience in Medical Assistant courses required within the past 3 years. Additional experience in simulation is preferred.</p> <p><u>EMT/ Paramedic Scenarios</u>: Teaching experience in EMT/Paramedic courses required within the past 3 years. Additional experience in simulation is preferred.</p> <p><u>Scenario Levels</u>: When assigning a SME reviewer to an ARISE simulation, take into consideration the following regarding scenario levels:</p> <ul style="list-style-type: none"> • Level 1 scenarios: beginner or first semester program courses • Level 2 scenarios: advanced-beginner or second semester program courses • Level 3 scenarios: advanced or third semester program courses • Level 4 scenarios: pre-graduation or fourth semester program courses 		
<p>Credentials related to program area Designations, Certifications Degrees (Include the name of the granting institution), Bachelor's Degree, other post-secondary degrees, (include majors & minors) publications or other achievements</p>		<p>Michele Geiger R.N., M.S.N., C.M.A. (AAMA)</p> <p>Katie Goffard B.S., M.S.</p> <p>Kim Gropp, B.A., CMA (AAMA)</p>

This workforce product was funded by a grant awarded by the U.S. Department of Labor's Employment and Training Administration. The product was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The U.S. Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This is an equal opportunity program. Assistive technologies are available upon request and include Voice/TTY (771 or 800-947-6644).

Related Experience & Qualifications What is your demonstrated experience in developing and/or implementing similar deliverables? Examples to include, but are not limited to: number of years of teaching and/or simulation experience noting the two most recent years, years of industry experience, experience in developing curriculum, experience in reviewing curriculum		Michele Geiger - 14 years of teaching at Nicolet Area Technical College (2004 - 12/2015) and Fox Valley Technical College (2016 – 2017). Taught Medical Assisting including Admin Pro. and some ADN courses. Developed and modified over 10 courses for MA and ADN in all delivery modes. Used state aligned curriculum for competencies so added to learning objectives and created learning activities and assessment activities. Katie Goffard – 8 years teaching at Fox Valley Technical College (2009-2017) 4 years adjunct teaching at Waukesha County Technical College (2013-2017). Teaching Medical Assisting- most specifically Admin and Insurance and Finance. Developed and modified courses, changed delivery methods, and used state aligned curriculum for competencies. Kim Gropp-16 years teaching at Fox Valley Technical College in the Medical Assistant Program. Have taught MA Clinical Procedures, MA Laboratory Procedures, and Pharmacology. Developed and modified many courses over the years. Modified curriculum to meet State Aligned curriculum including competencies, delivery methods, learning objectives, and assessments
Affiliations: Current position and organization		
Scenario Information		
Storyline	Pediatric Asthma	
Discipline	Medical Assistant	
Level	3	

Rating Scale	
Value	Description
Met	Fully or adequately meets expectations
Not Met	Partially met or failed to meet expectations
N/A	Not Applicable
Scoring Standard	
The course must receive a rating of "Met" or "N/A" on each criterion in order to successfully meet the requirements of the grant.	

Directions for SME: Please type your initials in the column and row that applies.				
A. Learning Objectives		Met	Not Met	N/A
1	Learning objectives are provided to outline learning experiences and are applicable and relevant to the subject matter and the audience.	SG KG KMG		
2	The simulation is aligned to the curriculum and/or program outcomes.	SG KG KMG		
Comments: 2. A learning objective of doing a nebulizer should be added, with video information. If nebulizer medication is provided then instruction and demonstration of using a nebulizer should be added to video information. On the peak flows, patient should be demonstrating 3 tries to get personal best to be recorded.				

B. Simulation Learning Environment		Met	Not Met	N/A
1	Set up instructions for simulation environment are provided.	SG KG KMG		
Comments: 1. The reporter attitude is not professional, however that is not part of the teaching plan currently. Simulate the putting together of the nebulizer, and using the nebulizer.				

C. Teaching Plan (written documentation)		Met	Not Met	N/A
1	Prebrief: The pre-briefing materials prepare the facilitator and the learner for the simulation.	SG KG KMG		
2	The simulation experience reflects current evidence-based practices.	SG KG KMG		

3	The augmented reality (pictures, videos, sounds, documents, etc.) is engaging, interactive and relevant to the simulation experience.		SG KG KMG	
4	Debrief: The debriefing materials follow Standards of Best Practice for Simulation and encourage formative assessment and discussion.	SG KG KMG		
Comments: The augmented reality is not interactive. The facilitator displays the video. There is not student involvement. Students should be getting more patient information from the video's to record and document.				

D. TAACCCT IV Grant Requirements		Met	Not Met	N/A
E1	The videos included in the ARIS software are closed captioned.	KC		
E2	The course meets Intellectual Property Rights according to the TAACCCT IV Grant ACT for Healthcare Curriculum Project Requirements (Creative Commons).	KC		
E3	Credits and References provided.	KC
