CBE Programs Dashboard

The CBE Dashboard is designed to provide current and historical enrollment, course completion, and credential completion data related to Sinclair's competency-based education (CBE) course sections. The dashboard provides an CBE academic coach/advisor with instant access to real-time data on CBE students. The sections are screen captured below and include: Enrollment, Enrollment Tracking, Retention, Course Completion, Credential Completion and Student Characteristics. The CBE Caseload report provides critial information regarding individual student progress in CBE courses.

Introduction | Enrollment | Enrollment Tracking | Retention | Course Completion | Credential Completion | Student Characteristics

Any | Advanced Manufacturing | Business Management | Information Technology | UAS | General

Retention

CBE Academic Coaching Tool

The CBE Academic Coaching Tool is designed to support academic coaching of students enrolled in CBE course sections. This report consists of the following sections:

Caseload Summary

Provides CBE academic coaches with student-level summary information for students on their caseloads who are currently active in CBE courses. Filterable by CBE proram, coach, student, indicated risk level, and course. Summary data include student information (name, Tartan ID, and coach), course information (course name and term), course status information (enrollment status, term and course progress, midterm assessment status, and current course grade), and risk indicators (days since last login, unsuccessful assignment/assessment attempts, recent assignment/assessment submissions). Double-click a row in the caseload summary report list table to view detailed performance data for the corresponding student in the corresponding course.

Student Course Detail

Provides CBE academic coaches with detailed performance information for a student in a specific CBE course. Limited to course attempts that are currently in progress. Filterable by CBE program, academic coach, student, and course. Linkable from the caseload summary report list table in the Caseload Summary section.

Includes a series of visuals designed to help users determine, at a glance, the student's course progress, term progress, course grade, days since last login, and days since last submission. Also includes some basic information about the student (contact information, current program, cumulative GPA, and number of credit hours in which the student is enrolled in the current term) and about the course (course section of record, CBE program, term, start date, drop deadline, withdrawal deadline, the number of weeks, including the current one, since the course section start date). Also includes basic course gradebook information by gradebook item, including assignment category, assignment name, score, number of attempts, and most recent submission date.

Student Detail

Provides basic demographic and contact information for CBE students by program. Filterable by CBE program. CBE start date and course count are based on the CBE program referenced within the row.

Student Profile

Provides CBE academic coaches and other interested parties with student-level information about a selected CBE student. Filterable by CBE program, academic coach, and student. Linkable from the CBE student list table in the Student Detail section.

Includes a series of visuals designed to help users assess, at a glance, the student's behavior and performance in CBE courses. Also includes some basic information about the student (contact information, demographic information, current program, prior online course experience, reason for pursuing CBE, and CBE referral source). Also includes a full history of the student's CBE courses, including past courses (with outcomes) and courses in progress; the list is color-coded to denote CBE successes (green), other successes (yellow), and non-successes (red). Also includes a list of the student's current programs (with degree-audit summary information) and completed programs; the list is color-coded to denote completed programs (green) and programs in progress (yellow). Also provides information on the student's CBE course success by term, time to CBE course completion by term, credentials earned following a CBE course attempt by term, and term GPA by term.
