Kansas Technical Re/training Among Industry-targeted Networks (KanTRAIN) grant project of \$11,997,957 is 100% funded through the U.S. Department of Labor's Trade Adjustment Assistance Community College and Career Training program. This workforce product was funded by a grant awarded by the U.S. Department of Labor's Employment and Training Administration. The product was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The U.S. Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. KanTRAIN is a WIOA Title I-financially assisted program and is therefore an equal opportunity employer/program which provides auxiliary aids and services upon request to individuals with disabilities by calling 711 or 800-766-3777 Voice/TTY.
