Foundations for Manufacturing Careers

Program Overview:

Employers in our area need entry-level workers who can grow with them in the advanced manufacturing field! The Foundations for Manufacturing Careers Program combined with the Manufacturing Skill Standards Council (MSSC) training and assessments help individuals develop abilities in problem-solving, decision-making, gathering and analyzing information and teamwork as well as technical skills.

Program Highlights:

- ✓ Certified Production Technician (CPT) through Manufacturing Skills Standards Council (MSSC)
- ✓ OSHA-10 Certification
- ✓ National Career Readiness Certificate (NCRC)

Program Content:

MSSC Four Modules & Assessment Opportunities:
