Manufacturing Readiness

Program Overview:

The Manufacturing Readiness Program was designed by Lorain County Community College to meet the employer demand in Ohio for entry-level related workers. ***Tuition Assistance, Incentive Plans & Scholarships may be available for those who qualify!***

Entry-level positions that are needed by manufacturers to increase growth and production form a substantial portion of the available jobs in Ohio. Despite the increased demand, too few individuals are gaining the skills they need – foundational employability or technical skills – in order to begin working for Ohio manufacturers. The Manufacturing Readiness Program answers that need.

Program Highlights:

- ✓ Earn nationally recognized industry credentials:
- ✓ Certified Production Technician (CPT) through Manufacturing Skills Standards Council (MSSC)
- ✓ National Career Readiness Certificate-Bronze (NCRC)
- ✓ OSHA-10 Certification
- ✓ **10-week program starting September 26, 2016!**

Program Content:

ENGR 120	Intro to Engineering	1 credit
SAFE 105	OSHA General Safety	1 credit
SDEV 101	College 101	1 credit
TECN 111	Technical Problem Solving	3 credit
MSSC	Prep and Test for CPT	non-credit

Program Qualifications:

- High School Diploma or GED
- Drug Free

Who should look into this program?

Veterans • Single Parents • Recent High School or GED Graduates
Unemployed Workers • Under-Employed Workers
