

# MicroTechnology For *Artists*

Lorain County Community College has a state-of-the-art training program for a high-demand industry. Students split their time between classroom learning and on-the-job training, with the possibility to earn up to \$14/hour while pursuing a 2-year degree.

**Classes start in August!**

Contact us today for additional information or RSVP an information session at LCCC Web page: [Retooling Adults in Manufacturing Programs – RAMP](#)
