

***Looking for a rewarding  
career in a high demand field?***

***Lorain County  
Community College***

## **CONSIDER A CAREER IN INDUSTRIAL SAFETY!**

Companies from all fields are looking for talent like you. Make a better future for yourself and contact us today to learn more about safety classes offered at Lorain County Community College starting on Fridays starting October 6, 2017.

**Chrissy Cooney // [ccooney1@lorainccc.edu](mailto:ccooney1@lorainccc.edu) // 440.366.4325**

The Industrial Safety Technology/Technician training program educates individuals on the recognition, avoidance, abatement, and prevention of safety and health hazards in the workplace. It will also provide an awareness of job-related safety and health hazards. **Individuals will have the opportunity to interview for paid internships with industry partners!**

## Classes Offered in the Fall 2017!

### SAFE 116

This course is offered on Fridays from 8am – 4:30pm starting October 6, 2017 and covers topics including Bloodborne Pathogens Safety; Health Hazard Awareness; Recordkeeping and Scenarios.

### SAFE 118

This course is offered on Fridays from 8am – 4:30pm starting November 10, 2017 and covers topics including Introduction to Occupational Safety and Health Administration for Small Business; Public Warehousing and Storage; and Introduction to Safety and Health Management.

**The following Industry Partners are ready to interview individuals with these skills for PAID internships that can lead to full-time employment.**
