Date of Revised Review:

Category	Score	Notes
Learning Objectives	1	could be more clearly defined
Course Support of and Alignment to Learning Objectives	1	appears poorly laid out
Sequencing of Course Content	1	see above
Opportunities for Active Learning	1	not clearly defined as to whether or not additional hands on learning is available
Opportunities for Formative Feedback to Students	nei	
Summative Assessment of Learning	1	no final project - only final exam which I assume is theory only and no shop project.
Americans with Disabilities Act (ADA) compliance	2	appear to comply
Universal Design for Learning (UDL) used	nei
