Date of Revised Review:

Category	Score	Notes
Learning Objectives	2	white defined, no Real categorical sequence
Course Support of and Alignment to Learning Objectives	1	objectives defined but syllabus not aligned with objectives and seems biased toward edm?
Sequencing of Course Content	1	appears there is no Real order but may be my interpretation of syllabus
Opportunities for Active Learning	1	No additional hands on or in depth learning spelled out in info available.
Opportunities for Formative Feedback to Students	nci	
Summative Assessment of Learning		appears there is testing but no "final project" required.
Americans with Disabilities Act (ADA) compliance	2	appears to comply
Universal Design for Learning (UDL) used	nci
