This workforce product was funded by a grant awarded by the U.S. Department of Labor's Employment and Training Administration. The product was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The U.S. Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This is an equal opportunity program. Assistive technologies are available upon request and include Voice/TTY (771 or 800-947-6644).

<p><b>Related Experience &amp; Qualifications</b>          What is your demonstrated experience in developing and/or implementing similar deliverables?          Examples to include, but are not limited to: number of years of teaching and/or simulation experience noting the two most recent years, years of industry experience, experience in developing curriculum, experience in reviewing curriculum</p>	<p>Nine years as a lab and clinical instructor at Fox Valley Technical College. Work with students toward the end of their program completion in the acute care hospital setting. Serve as course lead for the Advanced Skills course in the ADN program. Continue to work in the acute care setting as an Emergency Department RN (15 years) in a stand-by role, working with clients across the lifespan. Served as a SME reviewing multiple ARISE scenarios for approximately one year.</p>
<p><b>Affiliations:</b>          Current position and organization</p>	<p>Registered Nurse- Thedacare Regional Medical Center Appleton (ED)          Nursing Instructor- Fox Valley Technical College</p>
<p><b>Scenario Information</b></p>	
<p><b>Storyline</b></p>	<p>Wound Management – Case Study</p>
<p><b>Discipline</b></p>	<p>Nursing</p>
<p><b>Level</b></p>	<p>2</p>

Rating Scale	
Value	Description
Met	Fully or adequately meets expectations
Not Met	Partially met or failed to meet expectations
N/A	Not Applicable
Scoring Standard	
<p>The course must receive a rating of "Met" or "N/A" on each criterion in order to successfully meet the requirements of the grant.</p>	

<b>Directions for SME:</b> Please type your initials in the column and row that applies.				
<b>A. Learning Objectives</b>		<b>Met</b>	<b>Not Met</b>	<b>N/A</b>
<b>1</b>	Learning objectives are provided to outline learning experiences and are applicable and relevant to the subject matter and the audience.	ka		
<b>2</b>	The simulation is aligned to the curriculum and/or program outcomes.	ka		
<b>Comments: The case study and learning objectives seem appropriately aligned with the 3<sup>rd</sup> semester level student.</b>				

<b>B. Simulation Learning Environment</b>		<b>Met</b>	<b>Not Met</b>	<b>N/A</b>
<b>1</b>	Set up instructions for simulation environment are provided.	ka		
<b>Comments: no set up provided (case study, environment set up not necessary). Scenario overview provides insight into what the environment would be and provides information sufficient for students to begin the scenario.</b>				

<b>C. Teaching Plan (written documentation)</b>		<b>Met</b>	<b>Not Met</b>	<b>N/A</b>
<b>1</b>	Prebrief: The pre-briefing materials prepare the facilitator and the learner for the simulation.	ka		
<b>2</b>	The simulation experience reflects current evidence-based practices.	ka		
<b>3</b>	The augmented reality (pictures, videos, sounds, documents, etc.) is engaging, interactive and relevant to the simulation experience.			ka
<b>4</b>	Debrief: The debriefing materials follow Standards of Best Practice for Simulation and encourage formative assessment and discussion.	ka		
<b>Comments: pre-brief (scenario overview) allows students background and prepares them for scenario. Interactive questions provoke thoughtful discussion and use of best practice in provision of care. Debriefing questions allow for reflection and require use of critical thinking to explain actions taken.</b>				

<b>D. TAACCCT IV Grant Requirements</b>		<b>Met</b>	<b>Not Met</b>	<b>N/A</b>
<b>E1</b>	The videos included in the ARIS software are closed captioned.	<b>KC</b>		
<b>E2</b>	The course meets Intellectual Property Rights according to the TAACCCT IV Grant ACT for Healthcare Curriculum Project Requirements (Creative Commons).	<b>KC</b>		
<b>E3</b>	Credits and References provided.	<b>KC</b>
