This workforce product was funded by a grant awarded by the U.S. Department of Labor's Employment and Training Administration. The product was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The U.S. Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This is an equal opportunity program. Assistive technologies are available upon request and include Voice/TTY (771 or 800-947-6644).

<b>Related Experience &amp; Qualifications</b> What is your demonstrated experience in developing and/or implementing similar deliverables? Examples to include, but are not limited to: number of years of teaching and/or simulation experience noting the two most recent years, years of industry experience, experience in developing curriculum, experience in reviewing curriculum	Nine years as a lab and clinical instructor at Fox Valley Technical College. Work with students toward the end of their program completion in the acute care hospital setting. Serve as course lead for the Advanced Skills course in the ADN program. Continue to work in the acute care setting as an Emergency Department RN (15 years) in a stand-by role, working with clients across the lifespan. Served as a SME reviewing multiple ARISE scenarios for approximately one year.
<b>Affiliations:</b> Current position and organization	Registered Nurse- Thedacare Regional Medical Center Appleton (ED) Nursing Instructor- Fox Valley Technical College
<b>Scenario Information</b>	
<b>Storyline</b>	Pilot Wound Management
<b>Discipline</b>	Nursing
<b>Level</b>	2

Rating Scale	
Value	Description
Met	Fully or adequately meets expectations
Not Met	Partially met or failed to meet expectations
N/A	Not Applicable
Scoring Standard	
The course must receive a rating of "Met" or "N/A" on each criterion in order to successfully meet the requirements of the grant.	

Directions for SME: Please type your initials in the column and row that applies.				
A. Learning Objectives		Met	Not Met	N/A
1	Learning objectives are provided to outline learning experiences and are applicable and relevant to the subject matter and the audience.	ka		
2	The simulation is aligned to the curriculum and/or program outcomes.	ka		
Comments: Objectives have grown from Level 1 to Level 2 scenario and adequately reflect the level of student with appropriate expectations. Program outcomes align with curriculum.				

B. Simulation Learning Environment		Met	Not Met	N/A
1	Set up instructions for simulation environment are provided.	Ka		
Comments: Appendix A clearly defines the simulation set up. Scenario script is very good resource for faculty/simulation technician, assist in guiding scenario and providing expectations of students for faculty.				

C. Teaching Plan (written documentation)		Met	Not Met	N/A
1	Prebrief: The pre-briefing materials prepare the facilitator and the learner for the simulation.	ka		
2	The simulation experience reflects current evidence-based practices.	ka		
3	The augmented reality (pictures, videos, sounds, documents, etc.) is engaging, interactive and relevant to the simulation experience.			ka
4	Debrief: The debriefing materials follow Standards of Best Practice for Simulation and encourage formative assessment and discussion.	ka		
Comments: Pre-simulation activities provided set student up for success and give insight into direction of scenario. Facilitator pre-brief questions help direct student to prioritize and direct care. Debrief suggestions allow for reflection and also guide discussion regarding critical thinking made during scenario.				

<b>D. TAACCCT IV Grant Requirements</b>		<b>Met</b>	<b>Not Met</b>	<b>N/A</b>
