*Preferred method of contact: cell phone*

### **Required Text:**

*Trucking: Tractor-trailer Driver handbook/Workbook 4<sup>th</sup> Edition, Alice Adams. United States: Thomson Delmar Learning.*

*Federal Motor Carrier Safety Regulations (FMCSR) Handbook, J. J. Keller.*

*Motor Carriers' Road Atlas, Rand McNally*

Texts are packaged and sold together at the SLCC South City Campus Book Store.

## **Course Description: KPDR 0521**

This course covers basic and advanced operating practices, defensive driving, inspections, and hours of service.

### **Prerequisites:**

- Minimum age of 18 years.
- Must have completed KPDR 0510.

**SLCC Course Goals/Learning Outcomes.** SLCC has identified seven college-wide learning outcomes across the curriculum:

- 1 – Acquire Substantive Knowledge
- 2 – Communicate Effectively
- 3 – Develop Quantitative Literacy
- 4 – Think Critically and Creatively
- 5 – Civic Engagement
- 6 – Work Professionally and Constructively
- 7 – Develop Computer and Information Literacy

### **Testing/Grading/Evaluation:**

#### **Required Text:**

- *Trucking: Tractor-trailer Driver handbook/Workbook 4<sup>th</sup>Edi* Complete the review questions and the key terms at the end of each chapter. Submit your work to your instructor. .
- Skills based learning outcomes are assessed by the instructor using competency criteria and graded as M/C for mastered competency and N/M for Not Mastered. .
- **CDL Skills Tests;** There are three types of general skills that will be tested: pre-trip inspection, basic vehicle control, and on-road driving. All drivers are required to pass these tests in order to obtain a CDL. The skills necessary to operate a commercial motor vehicle are evaluated using State and Federal guidelines. All testing is done by appointment. Your instructor will schedule your test the final week of training.
- **Students will only be allowed two attempts.**
- Evaluation of student progress for School of Applied Technology courses and programs is based on proficiency. School of Applied Technology transcripts list the competency for the course with an M/C for mastered competency and N/M for Not Mastered.

### **Certificate of Proficiency:**

- A “Certificate of Proficiency” and program transcript will be issued by the School of Applied Technology approximately two weeks after completing the Professional Truck Driving Program.

## **Course Expectations and Student Responsibilities:**

- We expect you to put forth your best effort to learn the material and skills in a timely manner. The best students read and do their assignments outside of class so they can use class time to do hands on practice.
- Participate in all classroom/practical training activities.
- If you are going to be late, or miss class, please notify your instructor.
- Cell phones and pagers are allowed but must be on silent mode. If you receive a page or a call during class time; please leave the room to answer it.
- **Maintain good hygiene practices (daily showers, deodorant, clean clothing).**
- Dress Casual: Khakis, jeans, polo shirts, blouse, etc. are all examples of appropriate casual attire. Inappropriate attire: Shorts, tank tops, muscle shirts, halter tops, hot pants, and bare midriffs.
  - Footwear: casual shoes that enclose the heel and most of the lower foot such as sport shoes, walking or hiking shoes or boots are appropriate foot wear. Inappropriate: Footwear that is open opened toed or backless, such as slippers or sandals.
  - Finances: We expect you to have money for your own meals and personal needs. It is not appropriate to borrow money or items from students or instructors.
  - No smoking except in designated areas.
  - Operate equipment only under the supervision of the School of Applied Technology instructor. No exceptions!
  - Adhere to class, range, and road rules.
  - Computer Offenses: *“Fraudulent, harassing, or obscene [or pornographic] messages and/or materials are not to be knowingly retrieved, transmitted or stored. Users may not encroach on others’ use of computer resources. Activities defined as encroachment are determined by the computer system administrator and include, but are not limited to excessive use of computer resources for trivial applications; sending harassing messages; sending frivolous or excessive messages, including chain letters, junk mail.*

## **STUDENT CODE OF CONDUCT**

The student is expected to follow the SLCC Student Code of Conduct found at

[http://www.slcc.edu/policies/docs/Student\\_Code\\_of\\_Conduct.pdf](http://www.slcc.edu/policies/docs/Student_Code_of_Conduct.pdf)

### **ADA STATEMENT** [www.slcc.edu/drc](http://www.slcc.edu/drc)

Students with medical, psychological, learning or other disabilities desiring accommodations or services under ADA, must contact the Disability Resource Center (DRC). The DRC determines eligibility for and authorizes the provision of these accommodations and services for the college. Please contact the DRC at the Student Center, Suite 244, Redwood Campus, 4600 South Redwood Rd, 84123. Phone: (801) 957-4659, TTY: 957-4646, Fax: 957-4947 or by email: [linda.bennett@slcc.edu](mailto:linda.bennett@slcc.edu)

### **Attendance and Tardiness:**

- Attendance: The School of Applied Technology has no make-up policy for missed days. It is expected that students attend class regularly to ensure satisfactory progress toward course/program completion. Lectures and

demonstrations will not be given twice. It is the students responsibility to obtain any missed information from another student. **Do not ask the instructor to repeat the missed information!** Attendance is tracked and reported as required to sponsoring agencies and financial aid officers.

**Keep in mind that this is an occupational course and attendance here is just as important as it will be at your place of employment. This is one of the life and job skills we are required to teach.**

### **A Note About Responsibility:**

You will need to purchase a textbook and curriculum packet from the South City Campus Bookstore located at 1575 South State Street. You will be responsible for your reading assignments and completing the quiz at the end of each chapter. Your instructor will lecture, moderate class and truck discussions, demonstrate, evaluate your work; but, he or she will hold you responsible for developing your understanding and gaining skills relative to the course content. Your instructor will assume that if you are having difficulty in the course, you will make arrangements for a consultation.

## **Daily Progress Report - Day 1**

This assignment is for your driving time in the truck, and your instructor will be evaluating your driving techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Daily Progress Report - Day 2**

This assignment is for your driving time in the truck, and your instructor will be evaluating your driving techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Daily Progress Report - Day 3**

This assignment is for your driving time in the truck, and your instructor will be evaluating your driving techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Daily Progress Report - Day 4**

This assignment is for your driving time in the truck, and your instructor will be evaluating your driving techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Daily Progress Report - Day 5**

This assignment is for your driving time in the truck, and your instructor will be evaluating your driving techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Daily Progress Report - Day 6**

This assignment is for your driving time in the truck, and your instructor will be evaluating your driving techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Daily Progress Report - Day 7**

This assignment is for your driving time in the truck, and your instructor will be evaluating your driving techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Daily Progress Report - Day 8**

This assignment is for your driving time in the truck, and your instructor will be evaluating your driving techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Daily Progress Report - Day 9**

This assignment is for your driving time in the truck, and your instructor will be evaluating your driving techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Daily Progress Report - Day 10**

This assignment is for your driving time in the truck, and your instructor will be evaluating your driving techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Daily Progress Report - Day 11**

This assignment is for your driving time in the truck, and your instructor will be evaluating your driving techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Daily Progress Report - Day 12**

This assignment is for your driving time in the truck, and your instructor will be evaluating your driving techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Daily Progress Report - Day 13**

This assignment is for your driving time in the truck, and your instructor will be evaluating your driving techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Daily Progress Report - Day 14**

This assignment is for your driving time in the truck, and your instructor will be evaluating your driving techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Daily Progress Report - Day 15**

This assignment is for your driving time in the truck, and your instructor will be evaluating your driving techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Daily Progress Report - Day 16**

This assignment is for your driving time in the truck, and your instructor will be evaluating your driving techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Backing Progress Report - Attempt 1**

This assignment is for your backing time in the truck, and your instructor will be evaluating your backing techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Backing Progress Report - Attempt 2**

This assignment is for your backing time in the truck, and your instructor will be evaluating your backing techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Backing Progress Report - Attempt 3**

This assignment is for your backing time in the truck, and your instructor will be evaluating your backing techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.

## **Backing Progress Report - Attempt 4**

This assignment is for your backing time in the truck, and your instructor will be evaluating your backing techniques. You do not need to submit anything for this assignment. When your instructor is done evaluating you, Canvas will notify you when your progress report has been submitted.
