- American Nurses Association, 2012-present
- Certified Nurse Aide Evaluator IDPH Workshop, McHenry County College, McHenry, Illinois, November 11, 2011
 present
- National League for Nurses, 2011-present
- Sigma Theta Tau, Phi Nu Chapter, Walden University, Minneapolis, MN, 2011-present

Review Rubric Scale Definitions MoHealthwins

- Exceptional: Review component is a "best practice" and represents a model for replication
- Very good: Review component is complete and effective
- Good: Review component is adequate but presents opportunities for improvement
- Ineffective: Review component is weak and in need of significant improvement
- Not Applicable: Does not apply to course/component being evaluated.

Completed July 19th, 2018

SUN PATH Consortium

If program has run long enough, is		х			
there evidence that enhancements					
to it have improved pass rates?					
Comments or recommendations: The strategies to improve learner performance truly depend on the learner and					

ability to function independently and with peers in the discussions. There are opportunities to enhance the course.
